San Diego's Marc Emmelmann Pioneers New Children's Music Company "Emme Town" and Releases Debut Album "*Epic Kids Songs ~ Vol. 1*"

San Diego, CA. ~ January, 5th 2016

Emme Town™ is a new children's music company created by San Diego's [Marc Emmelmann](#). Emme Town has released their debut album, "**Epic Kids Songs Vol. 1**" featuring four San Diego singers and 13 special kids songs. The singers, AKA "townspeople" include: Shaun Tuazon (Jester), Laura Bueno (Fairy Godmother), Teri Wilder (Ballerina) and Christopher Chiles (Thinker). Emme Town songs are written by Marc Emmelmann, Teri Wilder, or are in the public domain.

Emme Town's specialty is putting a positive and modern spin on timeless classics. *The Twirling Song*, written to the melody of *Ring Around The Rosey*, replaces its irrelevant lyrics with fresh, fun positivity for children. The *Row Your Boat* song expands on the classic boat theme with new car- and plane-themed verses, while the familiar lyrics "*life is but a dream*" become "*life's a special dream.*" *Where is White Crow* is written to the tune of *Frere Jacques*, *The Potty Song* to *Alouette*, and *The Rainbow Song* to *Did You Ever See A Lassie*.

"We salvage timeless melodies and tunes, repurpose them with new lyrics and meaning, and create uplifting, fun and sensible songs for modern families."

-Creator Marc Emmelmann

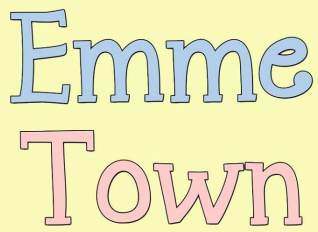

Emme Town also writes new songs such as *The Friendship Song* and *Days of the Week*, and performs some timeless classics such as *Twinkle Twinkle Little Star* and *Five Little Monkeys*. Many songs are educational, including the *ABC's Song*, *Days of the Week*, *Head Shoulders Knees and Toes*, and *The Rainbow Song* -- which teaches the colors of the rainbow in a delightful way. Emme Town's fun songs are also pragmatic and encourage life skills. *The Potty Song* appears twice on the album with boy and girl versions to motivate and inspire children during their potty training journey. *Epic Row Your Boat* helps instill the value of safe driving through song, and *Where is White Crow* helps instill the value of curiosity, courage, problem-solving, and promotes self-esteem.

The album also includes calming night time songs: *Good Night Sleep Tight*, *Five Little Monkeys*, and *Twinkle Twinkle Little Star*.

Epic Row Your Boat © Lyrics by Marc Emmelmann

Row Row Row Your Boat
Gently Down The Stream
Merrily Merrily Merrily
Life's A Special Dream

Drive Drive Drive Your Car
Safely Down the Lane
Merrily Merrily Merrily
Life's A Special Dream

Fly Fly Fly Your Plane
Swiftly Through The Air
Merrily Merrily Merrily
Life's A Special Dream

Days of the Week © Lyrics by Teri Wilder

Monday is my happy day.
Tuesday is my zippy day.
Wednesday is my clappy day.
Thursday is my flippy day.
Friday is my snappy day.

Saturday is my dippy day.
Sunday is my happy, zippy, clappy, flippy, snappy, dippy day!

The Friendship Song © Lyrics by Teri Wilder

You are nice to me
I am nice to you
That is how we like to play
That is what friends do

I can make you laugh
You can make me dance
We can make each other smile
While we're holding hands

Where is White Crow © Lyrics by Marc Emmelmann

Where is white crow?
Where is white crow?
I don't know.
I don't know.
Someone's going to catch him.
Someone's going to catch him.
Me me me!
Me me me!

"It's not by accident the Ballerina sings about dancing and twirling, or that Jester sings fun silly songs. I pair each of the townspeople with songs, on purpose!"
